

5-STAR LAUNDRY FOR AN EXCLUSIVE PALACE CONVERTED INTO THE ROYAL HOTEL ORAN

Girbau machinery is used in the laundry of this Algerian hotel to ensure top-quality finishes in table, room and spa service linen.

A 5-star hotel must be excellent in every way and this is certainly true of the Royal Hotel Oran in Algeria. Located in the heart of the city of Oran, near the coast, it offers its guests a luxury stay in an exclusive setting: a fully-refurbished palace where the original architecture blends with a new décor where care has been lavished down to the last detail, from the paintings that adorn the walls to the softness of the sheets and towels.

Strolling through the corridors of the Royal Hotel Oran and letting yourself sink into one of its soft beds is a wonderful chance to enjoy an architecture filled with history and a collection

The quality of the hotel laundry means both bed linen and towels are luxuriously soft, ensuring maximum comfort

of Orientalist art featuring original paintings and reproductions of works by Etienne Dienet. Among all these works of art and the exclusive antique furniture of this Algerian palace are the 112 rooms and suites of the Royal Hotel Oran, authentic oases of well-being in which to enjoy the comfort of your stay.

Top-quality linen, something that is taken for granted.

All guests at the Royal Hotel Oran in Algeria find particularly attentive service and meticulous care over every detail on the premises, as in the case of the bedclothes, towels or table linen. The top-quality finish of every piece of linen must be kept on a par with

everything else in the hotel, which means having a laundry able to provide an impeccable service. To do this, the Royal Hotel Oran in Algeria opted to equip its laundry with Girbau machinery.

On its premises, several high-speed washers provide a wash adapted to the needs of every type of linen, plus high efficiency in their consumption of water, energy and chemicals. The spin in the Girbau machine cuts down the humidity in every piece of linen, allowing faster, more economical and more profitable drying. The ironer and flatwork folder treat linen with special care to guarantee a top-class finish every time.

WHY CHOOSE AN IN-HOUSE LAUNDRY?

- Control over quality and costs
