

THE LUXURY OF THE SHERATON ORAN HOTEL IS ALSO PART OF ITS LAUNDRY SERVICE

The top-class finish of the linen in this Algerian hotel is unquestionable proof of its determination to offer its guests a complete, high-quality experience.

The excellence of the service at Sheraton hotels is already well-known at the more than 435 hotels and holiday resorts the chain has in more than 70 countries all over the world, none more so than the Sheraton Oran Hotel in Algeria, a hotel establishment where one of the main pillars of its luxury product is the comfort of its rooms.

321 rooms and 42 suites in the heart of Oran's business district offer its numerous guests the chance to enjoy a pleasant,

relaxing stay with views of the Algerian coastline and a location just a stone's throw from the city centre. At the same time, all these rooms

represent a major challenge when it comes to assuring the perfect finish for large amounts of bed linen and towels.

Quantity and quality are not incompatible in laundry

In order to meet its laundry needs, Sheraton Oran Hotel has for years

relied on Girbau machinery, which enables it to ensure that not only is the linen in its rooms

"We trust in Girbau because the finishes of the clothes we wash on their machines are perfect and show the quality and comfort that we want to offer our customers"

washed properly, but also that for the hotel's restaurant, its meeting rooms and services like the swimming pool or sports facilities.

The hotel's in-house laundry is equipped with several Girbau machines to deal with the whole linen handling process, from washing through to ironing and folding, striving for maximum efficiency and productivity at all times. High-speed washing machines offer the hotel establishment a precise wash that can be adapted to meet the needs of every piece. Girbau dryers provide a fast, efficient drying process that takes outstanding care of each

WHY CHOOSE AN IN-HOUSE LAUNDRY?

- Control over quality and costs
- Stock availability
- No lost linen
- Control over damage to items
- Competitive prices and flexible financing

and every piece, without harming them and assuring all their softness. Finally, the ironers and the towel folder add the finishing touches in a fast, highly productive way, cutting costs and ensuring that the laundry can cope with all the linen required by the Algerian hotel.

At the Sheraton Oran Hotel, the comfort is assured on all sides, including from the laundry. Because what makes the difference to luxury is, above all, those little details.
